

**School Of Hardknocks (SOHK)  
Nigeria, Receives Certification Of  
Endorsement To Train Secondary Schools  
Students On Digital Specialized Skills &  
Sports: (Golf and Lawn Tennis).**

The School Of Hardknocks (SOHK) Nigeria has recently attained significant recognition in accord with its passionate objectives to stimulate productivity and technology incubation through its Digital Specialized Skills and Sports Initiative.

The Secondary Education Board (SEB) on 15th February 2023, through the Director General, has approved TAC Africa in accord with its SOHK initiative, to embark on free trainings on some selected FCT Secondary Schools to further improve students' academic performance through its Project Program.

According to Dr. Jerry Akubo CEO of SOHK Nigeria, while expressing his commitment to educational development and delight for the recent SEB endorsement in a media interview, remarks; "I strongly believe in education as the cornerstone of National Economic Growth and Development.

The African child has a unique potential that the continent will leverage for sustainable development. I am confident of my heartfelt impact through sports curriculum objectives and Digital Specialized Skills will undoubtedly promote sustainable development and curb Crime In Nigeria."

Stressing the importance of the SEB Endorsement to TAC Africa to train Students On Digital Specialized Skills and Sports, is a clear indication of relevance and statutory responsibility to imbibe the United Nations Mission to impact and adhere to actualizing the Sustainable Development Goals which includes: Gender Quality Education, Women and Girls Empowerment, Ensure healthy lives and promote well-being and ensure Inclusive equitable quality education.

Hence, the SEB endorsement of TAC Africa to approve 5 pilot FCT schools to commence its SOHK impact activities immediately, undoubtedly proves that School Of Hardknocks (SOHK) Nigeria, is currently taking a significant position .

This indeed is a remarkable and reputable hallmark of honor and excellence to immortalize SOHK's legacy and impact objectives in the lives of Secondary School Students across Nigeria through its ongoing Project 774 Initiative.

Expected relevant stakeholders in anticipation of the Forthcoming Inauguration of the SEB Partnership with TAC Africa will include the leading Corporate Institutions in Education Sponsorship Programs like; MTN, Milo, Dangote Foundation, Child Trust Fund, Cononley Nig Ltd, NNPC, Max Air.

Also Expected for the inauguration will include Scholarship awarding Institutions, Media TV broadcasts, Diplomats, and Heads of Academic Sectors.
